

Sumadi Subprocessors

Effective date: July 25, 2024

To support delivery of our Services, Sumadi S.A. may engage and use data processors with access to certain Service Data (each, a "Subprocessor"). This page provides important information about the identity, location and role of each Subprocessor. Terms used on this page but not defined have the meaning set forth in the applicable agreement between Customer and Sumadi S.A. (the "MSA").

Third Parties

Prior to engaging any third party Subprocessor, Sumadi S.A. performs diligence to evaluate their privacy, security and confidentiality practices and executes an agreement implementing its applicable obligations.
